CONSENT FORM- Samuel Starks

ACTION TAKEN: On January 23, 2013, at approximately 1200 hours, I met with attorney Samuel Starks at his office located at 1100 Summer Street, 1st floor, Stamford, CT. Attorney Starks was appointed by probate court as the executor of Nancy Lanza's estate. Prior to our meeting I was informed by Sgt. Pattberg that attorney Starks had numerous pieces of mail addressed to 36 Yogananda Street Sandy Hook, CT that he had received from the post office. After speaking with attorney Starks I explained that it was possible individuals may have sent threatening, or dangerous items in the mail based on the magnitude of this incident. I further explained that the best course of action was to have these items opened and examined by members of the Connecticut State Police trained to deal with any possible threats. Attorney Starks agreed, and provided me with a written consent to search said items. Attorney Starks then turned over numerous pieces of mail which I transported to Troop G in Bridgeport where it was secured in the Major Crime office.

Refer to attached Consent to Search And Examine Evidence form DPS -167-C for further details.

Action Taken: On 12/31/12, this Detective and Detective Peters #816 responded to 80 West Street, Danbury, CT, and met with Forensic Interviewer Donna Meyer as well as [redacted] in preparation for the forensic interview of [redacted]

It was explained to both women that [redacted] was a survivor from [redacted], at Sandy Hook Elementary School. Meyer was advised that if there was an opportunity to gather information from [redacted] during the interview, which would follow an invitational format rather than adhering to the standard RATAC (Rapport Building, Anatomy ID, Touch Inquiry, Abuse Scenario and Closure) protocol normally followed, that any information that he has pertaining to what door the shooter entered through and what door the children exited through would help piece together some of the unknown details in the case, but, that as was understood by all parties involved, the interviews were being done only if the children and/or their parents requested them, and that if [redacted] did not want to talk about the incident, that the interview would be terminated immediately.

At approximately 1105 hours, [redacted] arrived with [redacted]

THE UNDERSIGNED, AN INVESTIGATOR HAVING BEEN DULY SWORN DEPOSES AND SAYS THAT: I AM THE WRITER OF THE ATTACHED POLICE REPORT PERTAININGTO THIS INCIDENT NUMBER. THAT THE INFORMATION CONTAINED THEREIN WAS SECURED AS A RESULT OF (1)MY PERSONAL OBSERVATION AND KNOWLEDGE: OR (2)INFORMATION RELAYED TO ME BY OTHER MEMBERS OF MY POLICE DEPARTMENT OR OF ANOTHER POLICE DEPARTMENT:OR (3)INFORMATION SECURED BY MYSELF OR ANOTHER MEMBER OF A POLICE DEPARTMENT FROM THE PERSON OR PERSONS NAMED OR IDENTIFIED THEREIN, AS INDICATED IN THE ATTACHED REPORT. Meyer, this Detective, Detective Peters, and the [redacted] discussed the goals of the interview, which are not to assist with the investigation, but rather to help their son process the event and talk about it, and that Meyer could then, as a clinician and licensed counselor, assist in assessing some of the needs of [redacted] and make recommendations for therapy or counseling. Meyer relayed that this interview would be terminated if [redacted] showed any signs of decompensation or any renewed signs of trauma. It was clearly explained to the [redacted] that this interview was being conducted because they felt it was in the best interest of their son, and that the investigation would still be thorough even without the interview of their child, or any of the other children from the school.

[redacted] stated that they were comfortable with moving forward, and advised that they hoped that the interview might also yield information that would also assist in filling in any gaps or answering any outstanding questions that remained. [redacted]

[redacted]

[redacted] relayed that they, and the other parents of surviving children from the two classes, inclusive of [redacted] whom she knew to have

STATE OF CONNECTICUT, DEPARTMENT OF PUBLIC SAFETY-
INVESTIGATION REPORT (DPS-302-E) (REVISED 2/3/06)

already expressed her feelings to this Detective, felt at a disadvantage and had a "need for accuracy" regarding what their child had experienced or saw or heard the day of the shooting. 01 02 03 12 admitted to struggling with how they can help 01 02 03 12 when only the police know whether what they are recalling is accurate, and when they are hearing so many opposing details from the media. It was expressed that in addition, some of the trauma personnel that various families had seen, including their own, had relayed that the need for truthful and correct information would assist them in processing and healing.

As was done with 01 02 03 12, this Detective showed 01 02 03 12 a simplified map of the entrance to the school and the 1st grade hallway and stated and showed them that what was known at this time is that the shooter entered the lobby through the front glass area of the school, and ultimately walked to the left into the first grade wing, entering and shooting in both Rooms #8 and #10. It was explained that both the principal and school psychologist had been shot and killed in the hallway near the main entrance, and that we, as the police, were unsure as to what doorway many of the children had exited, and therefore cannot state for sure which students would have seen those victims.

On 12/31/12, this Detective transported the aforementioned DVD and drawing back to Troop A, where the items were packaged and processed per CSP protocol. The DVD and drawing were identified and labeled as Exhibit #00342. Upon completion of packaging and processing, Exhibit #00342

was submitted into Evidence at Troop A (see attached JD-CR-18).

On 12/31/12, this Detective received an e-mail message from [redacted], inquiring about the scheduling of an informational meeting between the parents of the surviving children and the police. Additionally, the e-mail message advises that she had spoken with many of the parents of the surviving children and relayed that the majority of the children told them that the shooter had come into the classroom through the hallway door (see attached).

INTERVIEW REPORT

INTERVIEWEE:

[redacted]

ACTION TAKEN:

On December 15th, 2012 at approximately 1945hrs, Detective Marc Grandpre and I spoke with and obtained a written statement from [redacted] was identified during this investigation as possibly being [redacted]. As such, I was assigned to speak with [redacted] as part of this investigation.

[redacted] resided alone at a single family home located at [redacted]. He is employed as [redacted] He related that he has been [redacted] for the majority of his life. That approximately two years ago, he met Nancy Lanza in town and [redacted]. He related that he knew, after the fact, about Adam Lanza being involved in the Newtown school shooting and also had been made aware of Nancy's death. [redacted] appeared calm and un-emotional, presenting predominantly a flat affect. However, throughout the course of our meeting, he periodically paused during dialogue and/or excused himself to another room as he appeared to become upset while discussing his history with Nancy.

STATE OF CONNECTICUT, DEPARTMENT OF PUBLIC SAFETY- INVESTIGATION REPORT (DPS-302-E) (REVISED 2/3/06)

[redacted] related that he had been expecting to be contacted by police at some point in light of recent events in Newtown. He was initially guarded during discussions related to [redacted] He described that it was [redacted] and that Nancy was as well a [redacted]. As we spoke, [redacted] identified that one of his main concerns was the media obtaining the information that he was sharing regarding [redacted]. I explained to [redacted] that our investigation was active and as such we were not releasing such information and related statements by witnesses to the media.

[redacted] further related the he [redacted] That she went on a trip to New Hampshire Tuesday, December 11th, 2012. [redacted] left for a business trip on Wednesday, December 12th, 2012. He received a text message from Nancy at approximately 2200hrs on Thursday, December 13th in which Nancy informed him that she recently arrived home. That they last talked on Thursday, December 13th, 2012 at approximately 2222hrs. At that time he was in [redacted] and they discussed her trip and his business trip.

[redacted] thereafter texted Nancy Friday morning, December 14th at approximately 1012hrs to say good morning. He did not immediately, or shortly thereafter, receive any response from Nancy, which [redacted] described as not being unusual. Later that day, [redacted] boss notified him of the shooting in Newtown. [redacted] searched the topic on- line and contacted family members in Newtown to make inquiries. He then attempted to contact Nancy on her home telephone and cellular telephone just around noon time with negative results. He described that Nancy's home telephone did not ring and went directly to voice mail. Sometime thereafter, [redacted] heard the name "Ryan Lanza" being talked about in connection with the shooting as well the incident taking place at Yogalanda Street. At this point [redacted] called a friend who confirmed Nancy's death.

[redacted] related that he never thought Nancy's son Ryan would be involved in such an incident. He was aware that Nancy had another son, Adam, who suffered from Asperger Syndrome. He never met Adam and had only been inside Nancy's residence once, approximately a year and a half ago. That Nancy never related any incidents in which Adam was violent with her. However, [redacted] felt that Nancy did a lot for Adam to assure that he was happy and appeased.

[redacted] related that during the time that he had known Nancy, she had shared with him that she owned guns and that she had been to a range target shooting with her sons.

In addition to the information contained in [redacted] statement, he verbally related to these Detectives that over the past year Nancy had shared with him her plans to sell her home in Newtown and move to either Washington or North Carolina. That she was originally going to downsize to a smaller

home in Newtown. However, she had conversations with her son Ryan about the idea of moving. [redacted] explained that it appeared that with Ryan living and working out of state and his desire to travel, there was no reason that she should restrict herself to living in Newtown.

According to [redacted] Nancy had planned to have her house painted over this past spring in preparation for putting it up for sale. However, the painting plan did not come to fruition and the sale of the house was postponed. Further, [redacted] related that Nancy knew that she was not going to be able to effectively show / sell her home while Adam was living within. Her plan was to purchase an RV (Recreational Vehicle) to facilitate their move to either Washington State or North Carolina. During their trip, [redacted] related that Nancy would then sleep in a motel / hotel and Adam would sleep in the RV as he would not sleep in a motel / hotel. In this process, she could have Adam out of the house, they could effectuate their move and meanwhile sell her house.

[redacted] related that it was his understanding that if Nancy were to move to Washington State, it was for the purpose of enrolling Adam in a special school that he wanted to attend. If they were to move to North Carolina, it was going to be for the purpose of obtaining employment for Adam and making him more self sufficient. That Nancy had related to [redacted] that she had a friend, "John", who owned a computer technologies business in North Carolina. That John had agreed to mentor Adam and teach him the business. (See Attached Written Statement)

RELATED EVIDENCE:

During my interview with [redacted] he referenced his cellular telephone for obtaining dates and times of communications that he had with Nancy Lanza. He allowed me to view and visually verify the related text message communications. He showed me one text message dated Monday, December 10th, 2012 with a time stamp of 1151hrs. The message was received from Nancy Lanza and related that she had gotten off to a rough start that day. That Adam had "bumped his head" "really bad" and they were dealing with blood at 5:30 in the morning.

I explained to [redacted] that his cellular telephone contained communications known to me, and presumably some communications not yet viewed, that were considered to have evidentiary value. That this information on his cellular telephone could help identify critical timelines related to time of death and possibly identify precipitating circumstances leading up to Nancy's death. As such, I was obligated to seize his telephone at this time and apply for a search warrant to search its contents. I explained that I also could accept [redacted] written consent to search his telephone in which case the process of extracting the related information and returning his telephone could be effectuated this same day. On Sunday, December 16th, 2012 at approximately 1105hrs, [redacted] verbally agreed to provide consent and thereafter completed a written consent form. (See Attached Form)

Sporting Goods Store in Danbury, CT prior to the incident. Dicks Sporting Goods has video surveillance inside their stores and the video records. Investigators made contact with Tomassi who is the district loss prevention manager for Dick's Sporting Goods. Tomassi stated he would be able to obtain a copy of the video surveillance from the Danbury Store. Tomassi stated that he is unable to download the video surveillance from the Danbury Store because of the format with the computer there, but would be able to get the Danbury Store footage downloaded in the Milford Store.

Detective Gogluicci and I met with Tomassi at the Dick's Sporting Goods Store in Milford. Tomassi was able to download the video footage copied onto an 8GB thumb drive. Action Taken:

On 12/14/12 at approximately 0930hrs this Trooper was working at Troop A in Southbury as the Master Sergeant to the barracks. I heard though the overhead speaker the Troop A dispatcher indicate that there was an active shooter in Newtown. Lt. Hofbauer and I immediately went into the Troop A dispatch area to attain more facts pertaining to the incident. After learning the exact location I left Troop A enroute to the Sandy Hook elementary School in Newtown. As I entered I-84 West I turned on my lights and sirens, which triggered my MVR to begin taping. I was traveling in my assigned department cruiser (CT) 138 UTZ. I arrived at the Sandy Hook scene directly behind Lt. Hofbauer and entered the building from the front entrance. After returning to my vehicle, when the scene was calm, I observed that my MVR had continued taping throughout the incident. I gave the hard drive of the MVR system to Sgt Mullai, who turned it over to Sgt Boroski for processing. This is my best recollection of events at this time. See attached JD-CR-18.

Note: Due to my promotion on 12/14/12 the JD-CR-18indicates my current rank of Lt, however I was a Master Sergeant at the time of the incident.

Action Taken: On 1/8/13, this Detective received a telephone call from [redacted] regarding [redacted], who was a student from [redacted] classroom at Sandy Hook Elementary School. [redacted] explained that [redacted] have yet to engage [redacted] in any counseling as a result. [redacted] inquired as to what the process would involve and where it would occur. It was expressed to [redacted] that in this Detective's opinion, which is based upon her training and experience, [redacted] needed to be in counseling/therapy, and that, at a minimum, even if the interview did not happen, it would at least give the opportunity for the interviewer, Donna Meyer, who is a licensed counselor, to assist them with information as to how to find a counselor who specializes in trauma. [redacted]

This Detective coordinated a forensic interview for [redacted] with Donna Meyer at Family and Children's Aid, 80 West Street, Danbury, CT, on Friday, 1/11/13 at 10 a.m. In attendance were [redacted] Donna Meyer, Counselor Samantha DiTuccio and this Detective.

Prior to beginning the interview, the goals of the interview were discussed with the [redacted] and it was additionally relayed to them that the interview would be terminated if [redacted] showed any signs of decompensation or any revived signs of trauma. It was clearly explained to the [redacted] that this interview was being conducted because they felt it was in the best interests of their daughter, and that the investigation would still be thorough even if they opted to not have [redacted] interviewed.

EXHIBIT REPORT: NEWTOWN HIGH SCHOOL

On Monday, January 7, 2013 at approximately 1100 hours, Newtown High School SRO Jason Flynn signed a Consent to Search and Examine Evidence (DPS-167-C). The consent was given in order to download video surveillance from the high school's camera system. State of Connecticut Forensic Science Examiner, Lucinda Lopes was also at the high school attempting to download the video. During the downloading procedure issues were encountered, therefore the best course of action was to seize the Compaq computer tower, keyboard and mouse from the SRO and to bring it to the State of Connecticut Laboratory in Meriden for downloading.

On Thursday, 1/10/13 at approximately 0943 hours I retained possession of the Compaq computer tower, keyboard, mouse and four copies of the downloaded video surveillance from the State of Connecticut Laboratory.

On 1/10/13 at approximately 1300 hours I transported the Compaq computer tower, keyboard and mouse to Newtown High School and returned the items to SRO Jason Flynn.

On 1/10/13 I secured one Western Digital My Passport 500GB and cable into Troop A evidence.

CONSENT FORM- Ryan Lanza

ACTION TAKEN: On January 17, 2013, at approximately 1600 hours, I spoke to attorney Michael English regarding mail addressed to 36 Yogananda Street Sandy Hook, CT. I had learned that attorney English was representing Ryan Lanza who is the executor of the property located at 36 Yogananda Street Sandy Hook, CT. I explained to attorney English that we had numerous pieces of mail addressed to the Lanza residence that were currently being held at the Newtown Police Department. I explained that it was possible individuals may have sent threatening, or dangerous items in the mail based on the magnitude of this incident. I further explained that the best course of action was to have these items opened and examined by members of the Connecticut State Police trained to deal with such items. Attorney English agreed, and I requested Ryan Lanza provide a written consent to search said items. I then emailed attorney English at menglish@fdh.com a Consent to Search And Examine Evidence form DPS -167-C which I had completed prior to sending. Attorney English advised me that he was meeting with Ryan Lanza later that evening and would present the form to him.

On January 18, 2013 attorney Michael English contacted me and advised me that his client Ryan Lanza signed the form as requested. He then emailed me a copy of said form which I then printed and signed as a witness.

Refer to attached Consent to Search And Examine Evidence form DPS -167-C for further details.

ACTION TAKEN: On January 25, 2013, at approximately 1311 hours, I seized Exhibit 349, a compact disc containing radio and telephone transmissions recorded between approximately 0935 hours and 1035 hours on December 14, 2012, by the Troop L unified dispatch software. The files were retrieved and recorded onto the compact disc by TFC Burke # 1334. The time stamps on the files are recorded referencing Greenwich Mean Time; the subtraction of five hours from GMT results in Eastern Standard Time. Transmission time and retrieval time from the software are synchronized. I prepared two working copies of the Exhibit from the original. The Exhibit was placed into the WDMC Evidence locker at approximately 1413 hours. (Refer to attached JD-CR-18).

Authorization for Return of Victim's Clothing

Action Taken:
During the weeks following the shooting at Sandy Hook Elementary School many parents of the deceased children requested that the clothes their children were wearing at the time of their death be returned to them. These items were previously seized as a standard procedural function of the Western District Major Crime Squad (WDMCS) while processing the scene of a homicide. This request was discussed with Lt. DelVecchia and Sgt. Covello (WDMCS Van Supervisor) to ascertain the potential, if any, of the evidentiary value of the clothing. It was determined that there was no evidentiary value at this time. Thus, the release of the items was approved by Lt. DelVecchia. On 01/23/13, I spoke with State's Attorney Steve Sedensky who also approved the release of the clothing, but requested that I first confirm with the state forensic lab. On 01/31/13, I spoke with Lucinda Lopes of the forensic lab. Lopes stated, in part, that if WDMCS was not going to request testing be done on the clothing then she did not see an issue with the release of said items to the respective families.

Action Taken: On 2/12/13 at approximately 1941 hours, this Detective met with Detective Rupsis #1260, who turned over Exhibits 55 through 77 from companion case number CFS-1200704597. This Detective signed the respective JD-CR-18's for the aforementioned exhibits, indicating that Detective Rupsis had relinquished custody of the exhibits to this Detective.

On 2/12/13, between 2000 and 0331 hours, this Detective, Detective Jewiss #336, Sgt. Covello #167, Detective Sliby #810 and Detective Rupsis #1260, in addition to personnel from a commercial dry cleaner located in Torrington, CT, treated, processed and laundered the clothing and property belonging to the deceased victims from the Sandy Hook Elementary School shooting. Upon completion of the laundering, the clean clothing and property from each victim was individually repackaged and re labeled as evidence for return to Troop A. In preparation for the point in time when some of the clothing and property will be returned to the victim's families, a new JD-CR-18 for each Exhibit # was prepared by Detective Jewiss.

On 2/12/13, between 0331 and 0420 hours, the aforementioned Exhibits were transported by #336 back to Troop A, 90 Lakeside Road, Southbury, CT. Upon arrival at Troop A at approximately 0420 hours, this Detective and Detective Jewiss removed the Exhibits from his vehicle and secured them in temporary evidence storage in the female locker room located on the lower floor of the barracks, where the items had the opportunity to continue to air-dry to remove any remaining dampness.

On 2/12/13, at approximately 0455 hours, the temporary evidence area within the locker room was sectioned off secured using evidence tape and the door to the locker room was double key locked by this Detective.

ACTION TAKEN:

On 03/06/13, I was assigned to review downloaded data from a Samsung Model SCH-A650 cell phone (exhibit #348). According to the report of the download, conducted by Detective Ferrucci from the State Police Computer Crime and Electronic Evidence Unit on 12/21/12, the phone number that was previously assigned to the phone was [redacted]. (see attached download report) It was learned through this investigation that the phone number belongs to Ryan Lanza's current cell phone. Based on my findings, the Samsung cell phone was an inactive phone which previously belonged to Ryan Lanza.

A review of the contents of the 133-page "Paraben Corporation" phone download report revealed a "recent calls" log dating from May 7, 2007 at 1725 hours through August 23, 2007 at 1226 hours and included 58 calls. The calls were broken down as 20 outgoing calls dating from July 12, 2007 through August 23, 2007; 20 incoming calls dating from June 26, 2007 through August 22, 2007; and 18 missed calls dating from May 7, 2007 through August 23, 2007. The download report further revealed 15 SMS text messages dating from July 4, 2007 through August 21, 2007 and 37 bookmarks with no identifiable dates. Many of the bookmarks were similar or identical to the SMS text messages. According to the report, there were no identified emails on the phone. Due to the age and model of the phone, it did not have the capability to accept emails.

After review of the content, there is no remarkable data which I would deem to be useful in this investigation.

CASE STATUS:

This case remains ACTIVE pending further investigation.

ACTION TAKEN:

On 03/06/13, I was assigned to review downloaded data from a Blackberry Storm 2 Model 9550 cell phone (exhibit #348). According to the download report, there appears to be no identifiable data available. There was no information available regarding Contacts (aside from the global support number for Blackberry), SMS Text Messages, Incoming Calls, Outgoing Calls or Missed Calls. The report also didn't identify any phone number associated with this phone (see attached report).

Based on the lack of any information, it appears that this phone was previously wiped clean and all data was removed or erased. There is no information to report for this phone.

CASE STATUS:

This case will remain ACTIVE pending further investigation.

ACTION TAKEN:

On 03/06/13, I was assigned to review downloaded data from an LG VX-8300 cell phone (Exhibit #27 under case number CFS-12-00705354) retrieved from the Lanza residence at 36 Yogananda St. in Newtown. According to the report, the phone number assigned to the phone is 03, 05 [redacted] Through our investigation, we have identified this phone number as a number identified through Nancy's cell phone contacts as Adam's Cell phone. According to the report, there is no retrievable data available to include Contacts, SMS Text messages, Incoming/Outgoing Call Records, Images or Audio/Video (see attached report). Screen shots of the phone only revealed two calls made or received on the phone. On May 15, 2011 at 1820 hours a phone call is received from phone number 03 [redacted] which lasted approximately 36 seconds. A check of the phone number through fonefinder.com indicated that the phone number belongs to a Verizon Wireless cellular phone from New York. On December 4, 2011 at 1316 hours, a call was made to phone number 203-426-8167/Lanza residence and lasted 8 seconds (see attached screen shots).

Based on the lack of any useful information, it appears that this phone had very minimal use.

CASE STATUS:

This case remains ACTIVE pending further investigation.

ACTION TAKEN:

On 03/06/13, I was assigned to review the Cellebrite download (Exhibit 5A) from the IPhone retrieved from Yogananda St. (Exhibit #5 under case number CFS-12-00705354). On 03/07/13 at approximately 0800 hours, I began reviewing the downloaded data to include Contacts, Recent Call Logs, SMS Text Messages, Images and Videos. The report indicates that the phone number assigned to that phone is 03, 05 [redacted] Based on our investigation, we were able to determine that this phone belongs to and is used exclusively by Nancy Lanza. (Download Report is on attached thumb drive)

A review of the CONTACTS, revealed 55 entries consisting primarily of friends and family with a few business contacts. Based on the limited number of contacts and their relation to Nancy, there was nothing pertinent to report about the CONTACTS.

A review of the RECENT CALLS, revealed twenty-nine (29) incoming calls dating from 11/13/12 at 2335 hours (GMT) to 12/12/12 at 0318 hours (GMT), fourty-seven (47) outgoing calls dating from 11/13/12 at 2318 hours (GMT) to 12/13/12 at 1741 hours (GMT), and twenty-four (24) missed calls dating from 11/15/12 at 1729 hours (GMT) to 12/14/12 at 2153 hours (GMT). The majority of the calls came from or were made to Ryan Lanza and 04 [redacted]. **Note-ten (10) missed calls came after Nancy's death between 1659 and 2153 hours (GMT) on 12/14/12.

A review of SMS TEXT MESSAGES AND MMS ATTACHMENTS, revealed thirty (30) MMS attachments consisting primarily of photos dating from 04/20/12 at 2134 hours (GMT) to 12/12/12 at 2252 hours (GMT) and six hundred and ninety-six (696) SMS text messages. The majority of the text messages are everyday texts between friends and family members discussing life in general (i.e. work, vacation, winter storm Sandy, etc.). There

were only two text messages in which Nancy references her son Adam.

-In message #338, Nancy texts "I REALLY wish I could but I have so much to do and want to spend a little extra time with Adam before I go. Also, lots of cooking to do because I like to leave him with all his favorites." 04 [redacted].
-In message #621, Nancy texts "I was off to a rough start. Poor Adam bumped his head (really badly) and we were dealing with blood at 5:30 in the morning : (He is ok... It looked worse than it actually is." 04 [redacted].

A review of IMAGES AND VIDEOS, revealed four hundred and ninety five (495) images dating from 12/09/11 at 1454 hours (GMT) to 12/13/12 at 1636 hours (GMT) portraying mostly vacation spots and visiting with friends. None of the images portray her sons Adam or Ryan. There are a few pictures of Nancy alone or with friends. There were seventy-one (71) videos dating from 12/10/11 at 1347 hours (GMT) to 09/03/12 at 0007 hours (GMT). The majority of videos were short, ranging in length from 2 to 30 seconds. The videos appear to be taken by Nancy while on vacation or visiting friends.

Aside from the two text messages in which she references Adam, there is nothing of significance to report from the download of Nancy Lanza's IPhone.

SUPPLEMENTAL REPORT: EXAMINATION OF GPS (GARMIN NUVI 200)

I was tasked with examining the GPS (Garmin Nuvi 200) unit seized from the residence of 36 Yogananda St. The GPS was originally seized via search warrant by the Eastern District Major Crime Squad (EDMC). The EDMC turned the GPS (Item #58 seized under case # 12-00705354) over to the FBI for extraction. Special Agent Rovelli extracted the information into a readable source and that information was provided to me. I burned the information onto a CD-R and labeled it as State Police exhibit #343 under case number 12-00704559.

On 02/14/2013, at approximately 1647 hours, I contacted Garmin and spoke with Customer Service Representative Rachele (ph.). Rachele explained that the Garmin Nuvi 200 obtains its time via satellite and cannot be manipulated by an individual. Therefore, the times depicted throughout this report represent an accurate time stamp.

The following information was gleaned from the "journey" entries within the extraction report. The information taken from the "journey" is specific to latitude and longitude which I applied to Bing maps for locations. (See attached CD of journeys and maps). In applying the latitude and longitude into Bing maps, I inserted a location for every 2 minutes. Areas of interest, specifically school locations throughout Newtown that the GPS had a close proximity to, I checked every latitude and longitude in that specific time frame to ensure the GPS did not enter the schools.

SUPPLEMENTAL REPORT: EVIDENCE TRANSFER

ACTION TAKEN: On 04/06/13 at 1019 hours, I obtained Exhibit # 356E from TFC Mo, Troop A evidence officer. Exhibit 356E is the enhanced audio recording from the dash cam video of Officer Chapman, Newtown PD. I took said exhibit and made two working copies of the DVD. I resealed the exhibit and placed the original back into the evidence room at 1035 hours.

The case number (1200704597) on the DVD is the case number used for submitting evidence to the Forensic Lab, which the original DVD was submitted under. The enhanced video DVD also shows the evidence case number, but was entered into evidence at Troop A under the school shooting investigation case number (1200704559).

CASE STATUS: This case will remain active pending further investigation.

NEWTOWN POLICE DEPARTMENT OFFICER WILLIAM CHAPMAN'S (#98) DASH CAM VIDEO ENHANCED AUDIO VERSION

ACTION TAKEN: On 02/23/13, the DVD recording from Officer William Chapman's #98 (Car #18) vehicle video recorder, was seized from Sgt Wisentaner (Newtown PD) by Detective Mudry # 824 and entered as Exhibit # 356D in this ongoing investigation. The DVD is a recording of Off. Chapman's response to the Sandy Hook School shooting that took place on 12/14/12. The DVD recording was sent to the State Police Forensic Lab to be converted into working copies for the investigation. An enhanced audio version of the DVD was made in order to discern the sounds of gunshots heard, upon Off. Chapman's arrival to SHES, from the Newtown Police radio transmissions. This enhanced DVD was seized by me from the Connecticut State Police Forensic Lab on 03/26/13 and entered into evidence as Exhibit 356E.

The enhanced audio DVD is the exact same version of the recording that was submitted as Lab Submission # 032-M1 and made CSP Exhibit #356D. A separate and complete timeline report was completed for this video recording. The following is a brief timeline detailing the gunshots heard upon the arrival of Off. Chapman and Sgt Kullgren (Newtown) to SHES that was captured by the video recorder and observed and recorded by me while watching the DVD:

09:39:13 Off. Chapman and Sgt Kullgren arrive in the driveway of SHES, park adjacent to the ball field on the left, and exit their vehicles.

09:39:24 Newtown PD Dispatcher Nute (on the telephone with [redacted] 04) is heard on the police radio telling officers that "they still hear shooting".

09:39:26 The beginning of gunshots heard.

09:39:39 The last gunshot is heard.

I counted approximately 9 gunshots and the gunshots lasted approximately 13 seconds. The gunshots appear to be coming from the front of the school. The gunshots heard are slow in rhythm and in succession of each other. I was unable to discern between the gunshots from the AR-15 and the final suicide shot from the handgun.

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the undersigned Affiants Detective Alison Peters # 816 and Detective Michael Downs # 502, are members of the Connecticut State Police, presently assigned to the Western District Major Crime Squad (WDMCS) and have approximately 30 years of combined law enforcement experience. Both Affiants have conducted numerous investigations of criminal activity including, but not limited to, murder, sexual assaults, kidnapping, robberies, narcotics violations, and assaults, and have received specialized training in the processing of crime scenes. The following facts and circumstances are stated from personal knowledge and/or observations and include information related to the Affiants by fellow officers and persons with knowledge of the facts and /or circumstances contained herein.

2. On Friday, December 14th, 2012 at approximately 0935 hours, Newtown Police Department Dispatch received a 9-1-1 call from a caller at the Sandy Hook Elementary School located at #12 Dickinson Drive in Newtown, CT. The caller reported that an active shooting situation was occurring at the Sandy Hook Elementary School.

3. As a result of the 9-1-1 call, numerous law enforcement personnel, including members from the Newtown Police Department and the Connecticut State Police, responded to the Sandy Hook Elementary School in Newtown. Upon arrival, law enforcement personnel conducted a search of the interior and exterior of the school. Investigators located CT registration 872YEO, a 2010, black colored Honda Civic unoccupied and parked near the fire lane directly in front of the school. The registered owner for the Honda Civic is Nancy Lanza, DOB 09/06/60, 36 Yogananda Street, Newtown, CT.

4. As investigators entered the school, numerous children and school personnel were located deceased within the school. Investigators also located a young adult white male dressed in military style clothing, lying deceased on the floor in room #10. The deceased male was in possession of several firearms. The deceased male has been positively identified as Adam Lanza (DOB: 04/22/1992), hereinafter referred to as "the shooter", who resided at # 36 Yogananda Street in Sandy Hook, CT.

5. Law enforcement personnel, including members of the Connecticut State Police-Emergency Services Unit responded to the residence of Nancy Lanza at #36 Yogananda Street in Sandy Hook, CT. Upon arrival at Lanza's residence, Connecticut State Police- Emergency Services Unit gained entry into the house and located a deceased middle-aged white female lying in a supine position on a bed in the 2nd floor master bedroom. The white female sustained apparent gunshot wounds to her forehead. Investigators located a rifle on the floor near the bed. The deceased female was positively identified as Nancy Lanza (DOB: 09/06/1960).

6. On December 14th, 2012, Agents of the Federal Bureau of Investigation (FBI) interviewed a witness who knew Adam Lanza and stated that he rarely leaves his home and considers him to be a shut-in. The witness also stated that "the shooter" has a gun safe containing at least four guns. The witness also stated that "the shooter" had attended Sandy Hook Elementary School.

7. That on 12/14/12 a search warrant (Mincey Warrant) was applied for and received for the residence located at 36 Yogananda Street in Sandy Hook, CT. The Search and Seizure warrant was authorized by the Honorable John F. Blawie.

8. That during the execution of the Search and Seizure Warrant at the Lanza residence, 36 Yogananda Street in Sandy Hook, CT, investigators located a landline telephone within the residence. The telephone number listed was (203) 426-8167. "The shooter" resided at this address with his mother and would have access to a telephone associated with this number.

9. Based on your Affiants' training and experience, a perpetrator(s), or persons knowing the victim(s), may have communicated by way of a telephone. Also, co-conspirators in the planning, execution and to cover up a particular crime may have communicated by way of telephone. Persons who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of a perpetrator(s), or witness(s) of a murder.

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the undersigned Affiants Detective Alison Peters # 816 and Detective Michael Downs # 502, are members of the Connecticut State Police, presently assigned to the Western District Major Crime Squad (WDMCS) and have approximately 30 years of combined law enforcement experience. Both Affiants have conducted numerous investigations of criminal activity including, but not limited to, murder, sexual assaults, kidnapping, robberies, narcotics violations, and assaults, and have received specialized training in the processing of crime scenes. The following facts and circumstances are stated from personal knowledge and/or observations and include information related to the Affiants by fellow officers and persons with knowledge of the facts and /or circumstances contained herein.

2. On Friday, December 14th, 2012 at approximately 0935 hours, Newtown Police Department Dispatch received a 9-1-1 call from a caller at the Sandy Hook Elementary School located at #12 Dickinson Drive in Newtown, CT. The caller reported that an active shooting situation was occurring at the Sandy Hook Elementary School.

3. As a result of the 9-1-1 call, numerous law enforcement personnel, including members from the Newtown Police Department and the Connecticut State Police, responded to the Sandy Hook Elementary School in Newtown. Upon arrival, law enforcement personnel conducted a search of the interior and exterior of the school. Investigators located CT registration 872YEO, a 2010, black colored Honda Civic unoccupied and parked near the fire lane directly in front of the school. The registered owner for the Honda Civic is Nancy Lanza, DOB 09/06/60, 36 Yogananda Street, Newtown, CT.

4. As investigators entered the school, numerous children and school personnel were located deceased within the school. Investigators also located a young adult white male dressed in military style clothing, lying deceased on the floor in room #10. The deceased male was in possession of several firearms. The deceased male has been positively identified as Adam Lanza (DOB: 04/22/1992), hereinafter referred to as "the shooter", who resided at # 36 Yogananda Street in Sandy Hook, CT.

5. Law enforcement personnel, including members of the Connecticut State Police-Emergency Services Unit responded to the residence of Nancy Lanza at #36 Yogananda Street in Sandy Hook, CT. Upon arrival at Lanza's residence, Connecticut State Police- Emergency Services Unit gained entry into the house and located a deceased middle-aged white female lying in a supine position on a bed in the 2nd floor master bedroom. The white female sustained apparent gunshot wounds to her forehead. Investigators located a rifle on the floor near the bed. The deceased female was positively identified as Nancy Lanza (DOB: 09/06/1960).

6. On December 14th, 2012, Agents of the Federal Bureau of Investigation (FBI) interviewed a witness who knew Adam Lanza and stated that he rarely leaves his home and considers him to be a shut-in. The witness also stated that "the shooter" has a gun safe containing at least four guns. The witness also stated that "the shooter" had attended Sandy Hook Elementary School.

7. That on 12/14/12 a search warrant (Mincey Warrant) was applied for and received for the residence

located at 36 Yogananda Street in Sandy Hook, CT. The Search and Seizure warrant was authorized by the Honorable John F. Blawie.

8. That during the execution of the Search and Seizure Warrant at the Lanza residence, 36 Yogananda Street in Sandy Hook, CT, investigators located an Apple I-Phone within the residence. The telephone number listed was (203) 733-0943 and belonged to Nancy Lanza. Investigators found, within the contacts folder of this phone, a listing for Adam Lanza's "home number". The telephone number listed was (203) 364-9879. "The shooter" resided at this address with his mother and would have access to a telephone line associated with this number.

9. Based on your Affiants training and experience, a perpetrator(s), or persons knowing the victim(s), may have communicated by way of a telephone. Also, co-conspirators in the planning, execution and to cover up a particular crime may have communicated by way of telephone. Persons who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of a perpetrator(s), or witness(s) of a murder.

10. Your Affiants have personal knowledge that the AT&T Telephone Company Corporate Office located at 310 Orange Street New Haven, CT 06510, during their normal course of business, stores records contained on the Automated Message Accounting (AMA) system for any and all telephone account information associated with Nancy and/or Adam Lanza or 36 Yogananda Street, Newtown, CT, and /or telephone number (203) 364-9879. To include, but not limited to all subscriber information including records of dates and times of any and all incoming and outgoing telephone numbers, billing record information, any additional telephone numbers associated with the account, any account identification information, account history to include any and all master telephone numbers and billings records for the period of 01/01/2012 or first available date of records thereafter to and including 12/14/12.

11. Based on the preceding information, your Affiants believe that evidence of the crime of Murder, in violation of Connecticut General Statute 53a-54a, will be found within the account information for **Nancy and/or Adam Lanza of 36 Yogananda Street, Newtown, CT**. Therefore, your Affiants are requesting a search and seizure warrant for the AT&T Telephone Corporate Office, located at 310 Orange Street, New Haven, CT 06510, for telephone records associated with **(203) 364-9879** for the period of **January 1, 2012** or first available date of records thereafter to and including **December 14, 2012.**

1. That the undersigned Affiants Detective Alison Peters # 816 and Detective Michael Downs # 502, are members of the Connecticut State Police, presently assigned to the Western District Major Crime Squad (WDMCS) and have approximately 30 years of combined law enforcement experience. Both Affiants have conducted numerous investigations of criminal activity including, but not limited to, murder, sexual assaults, kidnapping, robberies, narcotics violations, and assaults, and have received specialized training in the processing of crime scenes. The following facts and circumstances are stated from personal knowledge and/or observations and include information related to the Affiants by fellow officers and persons with knowledge of the facts and /or circumstances contained herein.

2. On Friday, December 14th, 2012 at approximately 0935 hours, Newtown Police Department Dispatch received a 9-1-1 call from a caller at the Sandy Hook Elementary School located at #12 Dickinson Drive in Newtown, CT. The caller reported that an active shooting situation was occurring at the Sandy Hook Elementary School.

3. As a result of the 9-1-1 call, numerous law enforcement personnel, including members from the Newtown Police Department and the Connecticut State Police, responded to the Sandy Hook Elementary School in Newtown. Upon arrival, law enforcement personnel conducted a search of the interior and exterior of the school. Investigators located CT registration 872YEO, a 2010, black colored Honda Civic unoccupied and parked near the fire lane directly in front of the school. The registered owner for the Honda Civic is Nancy Lanza, DOB 09/06/60, 36 Yogananda Street, Newtown, CT.

4. As investigators entered the school, numerous children and school personnel were located deceased within the school. Investigators also located a young adult white male dressed in military style clothing, lying deceased on the floor in room #10. The deceased male was in possession of several firearms. The deceased male has been positively identified as Adam Lanza (DOB: 04/22/1992), hereinafter referred to as "the shooter", who resided at # 36 Yogananda Street in Sandy Hook, CT.

5. Law enforcement personnel, including members of the Connecticut State Police-Emergency Services Unit responded to the residence of Nancy Lanza at #36 Yogananda Street in Sandy Hook, CT. The deceased female was positively identified as Nancy Lanza (DOB: 09/06/1960).

6. On December 14th, 2012, Agents of the Federal Bureau of Investigation (FBI) interviewed a witness who knew Adam Lanza and stated that he rarely leaves his home and considers him to be a shut-in. The witness also stated that "the shooter" has a gun safe containing at least four guns. The witness also stated that "the shooter" had attended Sandy Hook Elementary School.

7. That on 12/14/12 a search warrant (Mincey Warrant) was applied for and received for the residence located at 36 Yogananda Street in Sandy Hook, CT. The Search and Seizure warrant was authorized by the Honorable John F. Blawie.

8. That during the execution of the Search and Seizure Warrant at the Lanza residence, 36 Yogananda Street in Sandy Hook, CT, investigators located an Apple I-Phone, cellular telephone, within the residence. The telephone number listed was (203) 733-0943 and belonged to Nancy Lanza. "The shooter" resided at this address with his mother and would have access to a cellular telephone associated with this number.

9. Based on your Affiants training and experience, a perpetrator(s), or persons knowing the victim(s), may have communicated by way of a telephone. Also, co-conspirators in the planning, execution and to cover up a particular crime may have communicated by way of telephone. To include, but not limited to all subscriber information including records of dates and times of any and all incoming and outgoing telephone numbers, billing record information, any additional telephone numbers associated with the account, any account identification information, account history to include any and all master telephone numbers and billings records. In addition, any cellular site tower information that is retained by the service provider, to include timing advance information and a call detail report (CDR) to include, but not limited to the dates and times a call was made, and which telephone number(s) were incoming and outgoing and the location of each tower that assisted in the completion of each call for the period of 01/01/2012 or first available date of records thereafter to and including 12/14/12. That Cellco Partnership DBA Verizon Wireless is a cellular provider that does business in the State of Connecticut, having multiple retail store locations, including one located at 495 Union Street, Waterbury, CT 06706. That Cellco Partnership DBA Verizon Wireless corporate headquarters is located at 180 Washington Valley Rd, Bedminister, NJ 07921.

11. Based on the preceding information, your Affiants believe that evidence of the crime of Murder, in violation of Connecticut General Statute 53a-54a, will be found within the account information for **Nancy Lanza** and telephone number **(203) 733-0943.** Therefore, your Affiants are requesting a search and seizure warrant be issued for Cellco Partnership DBA Verizon Wireless located at 495 Union Street, Waterbury, CT. for telephone records associated with Nancy Lanza and/or telephone number **(203) 733-0943** for the period of **January 1, 2012** or first available date of records thereafter to and including **December 14, 2012.**

Cindy,

I am submitting to you one (1) audio CD with two (2) audio recordings of two (2) separate 911 calls made to Newtown PD on 12-14-12 regarding the Sandy Hook Elementary School Shooting. The two recordings were copied from Exhibit # 00336.

Recording #1 – (0KB6(V#W00112215) 9:35:39 (time)

Under the original evidence submission, this call is located in the file "911 Trunk 1."

This is the 911 call from [redacted] 04. It is 24 seconds long. I can hear continuous rapid gunfire from 0:15 to 0:22 (seconds) of the telephone call.

Recording #2 – (0KB6)L5100312215) 09:36:13 (time)

Under the original evidence submission, this call is located in the file "911 Trunk 3."

This is the 911 call from Rick Thorne, the school custodian. It is 14 minutes and 43 seconds (14:43) long.

I can hear continuous gunfire (slower than call above) during the following times:

00:35-00:41 (gunfire sounds far away)

3:09-03:34 (continuous)

03:46-03:49 (continuous)

During recording #2, the radio transmissions and background noise from Newtown PD are obstructing the sound of the gunfire. Anything that we can do to get rid of that noise would be greatly appreciated.

I went over the telephone calls (enhancements) made to the CSP and made note of the following:

Item #2 is [redacted] 04's telephone call, mother in the conference room #9. I hear gunshots during the following times:

03:22 to 03:40 (continuous)

Also I hear two separate single shots at 03:59 and 04:02

Item #7 is [redacted] 04 telephone call, teacher that was shot in room 1. I can hear gunfire from 2:06 to 02:24. I can also hear one (1) single shot at 2:41.

I hope this breakdown helps. If you need anything else, just call me. Thanks again for your help.

Alison

Actions Taken- On 12/14/12 at approx. 1225 hrs. I was dispatched to Bridgeport Hospital to identify and speak with a victim injured in the Newtown Elementary School shooting.

Upon arrival I spoke with Anita Shrum(DOB [redacted]). Shrum is the Director of Emergency Services at Bridgeport Hospital. ACTION TAKEN

On Friday, December 21, 2012, at approximately 1450 hours, I arrived at the Troop A Barracks in Southbury to escort the 2010 black Honda Civic, with CT Registration No. 872YEO (the "Subject Vehicle"), to the Troop L Barracks in Litchfield. The Subject Vehicle was being stored in a secured garage bay at Troop A. At approximately 1525 hours, Christopher Dinino, DOB [redacted], of Town Plot Auto Body, Inc., arrived at Troop A to transport the Subject Vehicle. Mr. Dinino loaded the Subject Vehicle onto the Town Plot Auto Body, Inc. flat bed wrecker bearing CT Commercial Registration No. K44498, and CT Wrecker Registration No. 8274. Mr. Dinino secured the Subject Vehicle to the bed of the wrecker and at approximately 1535 hours he began to drive to Troop L under my escort. At approximately 1615 hours, I arrived at Troop L with Mr. Dinino and the Subject Vehicle. Mr. Dinino unloaded the Subject Vehicle into the Troop L impound lot where it was secured behind a locked gate.

At no time did either Mr. Dinino or I enter the interior of the Subject Vehicle as Mr. Dinino was able to pull the Subject Vehicle both on and off the flat bed wrecker using cables attached to the undercarriage. Wrecker and Operator information, as well as starting and ending mileage data, were entered into a separate Administrative Services incident under CFS# 1200717707.

ACTION TAKEN:

On 12/14/12 at approximately 1000 hours, I was contacted by Sgt. Pattberg and directed to respond to Danbury Hospital to manage the reception of victims that were being transported from the shooting scene at Sandy Hook Elementary School. Upon arrival, I met up with Detective Kiely and we then met with officers from Danbury Police Department to include ESU Supervisor Sgt. Mike Georgeoulis. I advised Danbury Police that I needed their assistance in locking down and securing the hospital. Sgt. Georgeoulis volunteered to put together a team to secure all the entrances into the hospital emergency room.

At approximately 1112 hours, I met with Dr. John Murphy and Dr. Keith Zacalla in the Emergency Room. Dr. Murphy advised that there was a live female adult victim and two deceased children that were transported to the hospital. At approximately 1118 hours, Murphy directed me to the room where Natalie Hammond was being treated. Hammond identified herself as the Lead Teacher, an administrative position. Hammond stated verbally that she was in a meeting in Room #9 with a parent and several other staff members. She stated that the meeting started at approximately 0930 hours. She stated that approximately four minutes later, they all heard a loud banging noise which she described as the sound of pipes banging when the heating system is started. She stated that Principal Dawn Hochsprung and Psychologist Mary Sherlach exited the room and she was

about 15 feet behind them. She stated that as she exited the room, she heard gunshots and then she saw Hochsprung and Sherlach fall down in front of her. She stated that she felt a gunshot hit her leg and felt a burning/warming feeling in her lower leg. She described the gunman as a male, 5'8" to 5'11" tall, wearing a dark hat and mask. Hammond stated that once she was shot, she fell down and laid still in the hallway. She stated that she remained on the floor for approximately 10 seconds and then looked down the hall toward the main office. She stated that she didn't see the gunman in the hall so she crawled back into Room #9 and held the door closed. Hammond stated that she heard "100's of rounds." She estimated that they were in 10-15 round bursts and then she could hear what she believed to be the gunman reloading. She estimated that she heard 7-8 breaks in the shooting, which she believed to be when the gunman was reloading. (Hammond later provided a written statement to Detective Kiely)

At approximately 1126 hours, I seized Hammond's shoes and socks (Exhibit #303) which had a bullet hole in the top of the toes of the left shoe.

At approximately 1131 hours, I met with Dr. Robert Grossman, Assistant Medical Examiner. Dr. Grossman advised that he had examined the two deceased child victims. [redacted] 03 12

At approximately 1136 hours, Dr. John Murphy introduced Detective Kiely and I to Dr. Robert Solstice. Solstice stated that he was the tending physician in the emergency room when the two child victims arrived. Solstice stated that both victims were deceased upon arrival to the hospital and he confirmed the injuries described by Dr. Grossman.

At approximately 1155 hours, I received a call from Major Hyatt requesting descriptions of the two deceased children in an effort to assist in the identification process.

At approximately 1215 hours, Detective Kiely and I entered Room P2 of the emergency department at Danbury Hospital which was being guarded by a Danbury Police Officer. Upon entry, I observed a body on a stretcher covered in a white sheet and blanket. [redacted] 01 02 03 12 His clothes had been cut off of his body by hospital staff and secured in a large brown paper bag at the foot of the bed. His clothes included [redacted] 01 02 (Exhibit #300).

STATE OF CONNECTICUT, DEPARTMENT OF PUBLIC SAFETY-INVESTIGATION REPORT (DPS-302-E) (REVISED 2/3/06)

At approximately 1221 hours, Detective Kiely and I entered Room P1 of the emergency department at Danbury Hospital which was being guarded by a Danbury Police Officer. Upon entry, I observed a body on a stretcher covered in a white sheet and blanket. [redacted] Her clothes had been cut off of her body by hospital staff and secured in a large brown paper bag at the foot of the bed. Her clothes included [redacted] (Exhibit #301).

At approximately 1237 hours, facial photos of the two child victims were emailed to Major Hyatt to be used for identification purposes.

At approximately 1244 hours, Detective Kiely and I were notified by hospital staff that a parent was in the waiting room of the emergency department and he was refusing to leave. I spoke to the male parent who identified himself as [redacted] stated that his son, [redacted] was in Mrs. Soto's class and that [redacted] was not accounted for. [redacted] stated that he had been to the school and the firehouse but could not locate his son, [redacted] described [redacted] as a [redacted] and showed us a photo on his cell phone. [redacted] stated that when he saw [redacted] on the morning of 12/14/12, [redacted] was wearing [redacted]. I advised [redacted] that the victims at the hospital did not match the descriptors given for [redacted] I advised [redacted] to go to Edmond Town Hall located on South Main Street in Newtown and assistance would be provided for him there.

At approximately 1325 hours, Dr. John Murphy addressed all the families who were at the hospital and directed them to Edmond Town Hall as well.

At approximately 1413 hours, Detective Kiely and I were escorted to the surgical department where we met Operating Room Nurse Karen Vulcana. Vulcana gave us clothes which were taken off of Natalie Hammond prior to her going into surgery (Exhibit #302). Those clothes were seized and transferred from a plastic bag into a paper bag to allow them to dry. At approximately 1438 hours, those clothes were secured in the morgue with the bodies of the two child victims and their belongings. The morgue was locked and was guarded by Officers Malone and Fernandes of the Danbury Police Department.

At approximately 1801 hours, I met Danbury Hospital Security Director Abhishek Herekar. Herekar provided me with two clear plastic containers which contained metal fragments recovered from the left hand (Exhibit #304) and the left thigh (Exhibit #305) of Natalie Hammond during surgery.

At approximately 1805 hours, Chris Pender and Darnell Tomlin from the Connecticut Trade Services arrived at the morgue to retrieve the bodies of

the two child victims and transport them to the Office of the Chief Medical Examiner in Farmington, CT. At 1806 hours, I seized the clothing of the female victim (Exhibit #301). From 1807-1814 hours, photos of the female victim and her injuries were taken before the body was turned over to the CT Trade Services for transport.

At approximately 1815 hours, I seized the clothing of the male victim (Exhibit #300). From 1816-1821 hours, photos of the male victim and his injuries were taken before the body was turned over to the CT Trade Services for transport.

At approximately 1900 hours, all items seized at Danbury Hospital were returned to Troop A in Southbury to be inventoried, packaged and secured in the WDMC Temporary Holding Locker.

Action Taken: On 12/27/12 at approximately 1030 hours, this Detective responded to 75 West Street, Danbury, CT, and met with Forensic Interviewer Donna Meyer in preparation for the voluntary 11 a.m. Forensic Interview of [redacted]

It was explained to Meyer that [redacted] in the Sandy Hook Elementary School, which was the 1st grade classroom of teacher [redacted]. Meyer and this Detective reviewed a school map and the path of travel for the shooter was shown to Meyer. Additionally, any information pertaining to [redacted] that may have been helpful for the interview, inclusive of statements she had made to other teachers or staff members, were relayed to Meyer.

On 12/27/12, this Detective and Meyer met with [redacted] and her parents [redacted], and discussed the goals of the interview, in addition to relaying that this interview would be terminated if [redacted] showed any signs of decompensation or any revived signs of trauma. It was clearly explained to the [redacted] that this interview was being conducted because they felt it was in the best interests of their daughter, and that the investigation would still be thorough even without the interview of their daughter.

[redacted] stated that they were comfortable with moving forward and asked if they could be with [redacted] if she asked for them, at which time

they were told that if [redacted] wanted them, or was exhibiting any signs of anxiety, the interview would be concluded by telling her that she didn't need to try to remember or talk about anything else, and they would be immediately reunited.

[redacted] relayed that they, and the other parents, felt at a disadvantage and had a "need to know" what their children had experienced or saw, and were struggling with how they can help their child to process and heal when only the police know whether what they are recalling is accurate. It was expressed that in addition, some of the trauma personnel that various families had seen also were struggling with how to help or redirect the children, as there is no surviving adult to validate their recollections.

This Detective showed the [redacted] the simplified map of the entrance to the school and the 1st grade hallway and very simply stated and showed them that what was known at this time is that the shooter entered the lobby through the front glass area of the school, and ultimately walked to the left into the first grade wing, entering and shooting in both Rooms #8 and #10. It was explained that both the principal and school psychologist had been shot and killed in the hallway near the main entrance, and that we, as the police, were unsure as to what doorway many of the children had exited, and therefore cannot state for sure which students would have seen those victims.

Action Taken: On 12/28/12, this Detective was assigned by Sgt. Pattberg #130, to respond to the Sandy Hook Elementary School and assist Detective Insalaco #748 with seizing a section of carpeting from Room #10.

It was explained to this Detective that blood within the aforementioned carpet was going to be used as a known blood sample from the shooter.

Upon arrival at S.H.E.S., this Detective assisted Detective Insalaco while he cut out and peeled up a section of carpeting from the floor in Miss Soto's 1st grade classroom just inside the main door. The aforementioned carpet sample was cut from within a large blood soaked area where the body of the shooter, Adam Lanza, had been discovered after shooting himself in the head.

At 1209 hours, Detective Insalaco and this Detective packaged the seized sample of carpet within a medium sized envelope, and then packaged the medium sized envelope within a larger envelope, which was then sealed with evidence tape per CSP protocol.

This Detective transported the item to Troop A, Southbury, where it was identified and labeled as Exhibit #341. Exhibit #341 was placed into WDMC temporary evidence holding until it was submitted into evidence on 1/2/13 @ approximately 1130 hours (see attached JD-CR-18.)
